Quotes from Class of 2021 graduates when asked:

*“What were the best things about
the Fundraising Academy?”*

*I think there were so many good parts
about the training - specifically I love how
it emphasized the differences between
“sponsorships” and “donations” along with the
emphasis that annual giving is for unrestricted
funds.*

*Academy GO is the greatest service to Inland
Empire nonprofits: Its staff is a blessing to those
of us who work alone by sharing knowledge
and bringing together persons who succeed by
meeting each other!!*

*I enjoyed the examples provided and the
details on things you could change to be
more successful. Overall good content and
knowledge.*

Session on DEI comments:

*It was a very eye opening training. It can be
very tough to understand someone else’s
perspective however John was very effective
in evoking emotions to help better understand
why Diversity & Inclusion is not only important,
but also on going work. He helped me to see
perspectives I never considered that showed
me how to step outside of myself to consider
the experience of others*
